# Important Notes Before You Proceed

1. Funding for this Program is limited, and it is possible that the number of applicants who meet the eligibility requirements will exceed the available funds. Submitting an application, meeting the eligibility requirements, and/or being approved for a grant award does not guarantee that you will receive funding.
2. You must submit your application by the earlier of: (i) thirty (30) days from the date the application was started, or (ii) the application window close date, as announced by Lendistry. If your application is not submitted by the applicable deadline outlined above, it will be considered “inactive” and will not enter the application review process.

Under this Program, each business (and nonprofit organization) may only apply for\* and receive up to one drought-related grant AND one grant storm flood-related grant, even if it has multiple business entities, franchises, and/or locations.

No owner of the applicant business (or executive director or equivalent senior managing officer of the applicant nonprofit organization) can apply for or receive a drought-related grant under the Program on behalf of any other business (or nonprofit organization) for which such person is also an owner (or executive director or equivalent senior managing officer). If a second drought-related grant is issued, to a single business (or nonprofit organization), or to multiple businesses with shared ownership (or to multiple nonprofit organizations with a shared executive director or equivalent senior managing officers) all Program grants to the business (or nonprofit organization), including any flood-related grant, will be voidable.

\*If a business (or nonprofit organization) is denied a grant under one Group of the Program’s drought-related grants, it may apply for a grant under a second Group of the Program’s drought-related grants for which it meets all eligibility requirements.

# Tip #4: Review Best Practices to Successfully Complete Persona

## What is Persona?

Persona is a third-party platform utilized by Lendistry in its fraud prevention and mitigation process. The Persona platform enables Lendistry to verify an individual's identity and protect against identity spoofing by automatically comparing the individual's selfie to their ID portrait with a 3-point composite and biometric liveness check.

- Applicants will be required to verify their identity using Persona by uploading a picture of a valid government-issued photo ID.
- Applicants will also need to take a selfie using a device with a front-facing camera to complete the Persona verification.

For more help with Persona, visit <https://help.withpersona.com/for-end-users/>.

## Best Practices to Successfully Complete Persona

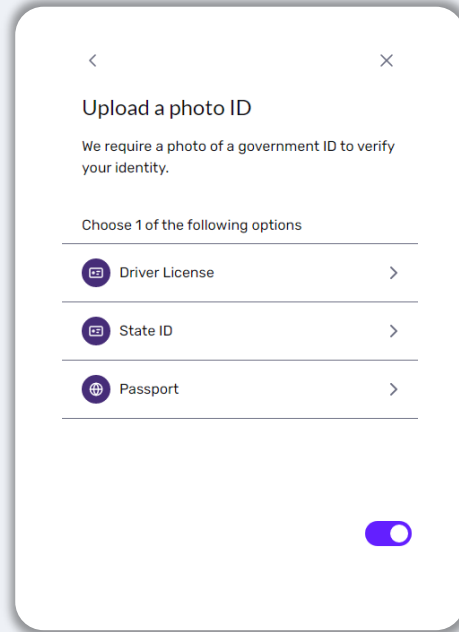

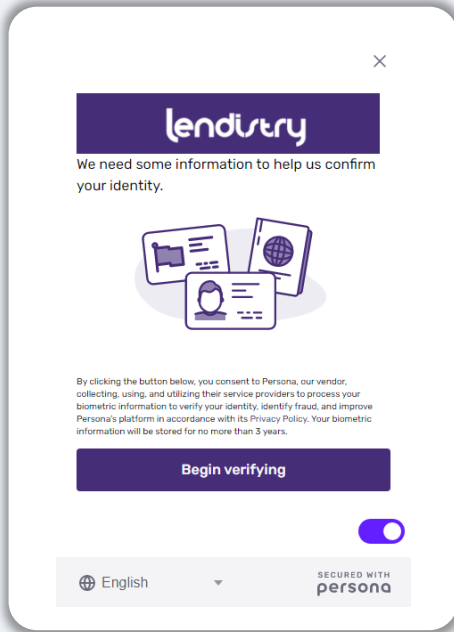

1. Use a front-facing device. If you work on your application on a laptop or computer that does not have a camera, you will be given the option to complete Persona using a mobile device at any time by clicking "Continue on another device" and scanning the QR code provided or requesting a link via SMS or Email.
  - Once you complete Persona on your mobile device, you will be automatically redirected to your application on your laptop or computer.
2. Take a picture of the front and back of your government-issued ID *before* starting Persona and save it on the device you will use to take your selfie to be efficient.
  - Place your government-issued ID on a plain white surface and use adequate lighting.
  - Do not use flash as it may cause a glare.
3. When taking your selfie, use adequate lighting pointed toward your face while avoiding bright light sources from behind.
  - Stand in front of a blank wall or door and avoid busy backgrounds.
  - Do not use flash as it may cause a glare.

## Tip #5: Set Your Security Questions in Lendistry's Portal

Lendistry's Portal for the Program has a feature that allows you to set a series of security questions to protect and allow you to unlock your account when there are too many failed attempts to access it.

The security questions are meant to prevent unauthorized access to your portal account. You can select any question available in the drop-down menu; however, we **strongly** recommend you choose questions with answers that are personal to you or only you will know.

Make note of the answers to your security questions. They are case-sensitive, and you will need to enter them exactly as you set them when unlocking your account.

Review [pages 74-78](#) for instructions on how to troubleshoot or unlock your account.

The screenshot shows a 'Security Question' setup interface. At the top center is a shield icon with an 'i' inside. Below it is the title 'Security Question'. A paragraph explains that this is for account security and privacy. The form consists of three rows, each with a 'Security Question' dropdown menu and an 'Answer' text input field. The questions are labeled 'Security Question 1', 'Security Question 2', and 'Security Question 3', each with a red asterisk. The answers are labeled 'Answer 1', 'Answer 2', and 'Answer 3', each with a red asterisk. At the bottom, there are two buttons: 'Skip' and 'Register'. Below the buttons is a link: 'Already registered? Sign in!'.

# Section 8: Bank Info

## Why is your banking information needed?

Lendistry uses a third-party technology (Plaid) to verify your bank account and set up ACH transfers by connecting accounts from any bank or credit union in the U.S. to an app like Lendistry's Portal. The third-party does not share your personal information without your permission and does not sell or rent it to outside companies.

This method of bank verification is preferred but will not always work if your banking institution is not available through the provider. If an applicant does not have an online banking setup, or their bank account cannot be verified through Plaid, the applicant is required to submit the two (2) most recent months of bank statements with transaction history.

**Important Note: The registered name on the bank account must match the Legal Name of the Business or Nonprofit Organization provided in the application.**

# Section 9: Review Your Application Before Submission

Before submitting your application, review all your responses and documentation for accuracy. **Once you submit your application, you will NOT be able to make edits.**

For your application to be reviewed by Lendistry, you must submit a complete application that includes:

1. All fields in the application form completed;
2. All required documents uploaded;
3. Your bank account connected via Plaid; and
4. Your identity verified via Persona.

## Reviewing Your Application

1. If you need to edit your application, click on **“I have some edits!”** and fix all errors.
2. Read [Lendistry’s Terms and Conditions](#) and check the box to agree.
3. If you would like to review and submit your application later, click on **“Save and Come Back Later.”** You can sign into the Portal at any time to complete your application and check for status updates.
4. After you have reviewed your application and confirmed that all information you have provided is accurate, click on **“Everything is Good, Submit Application”** to submit your application.
